

RECRUIT LONDON

A FREE RECRUITMENT SERVICE FOR OCCUPIERS

Recruit London is a model developed by Cross River Partnership with The Crown Estate and Westminster City Council that has successfully supported over 1,000 Westminster residents into work with flagship stores, hotels and restaurants across the West End.

OUR MISSION

To work with West End employers to provide a simpler and quicker route to sustainable work for local people

HOW THE SERVICE WORKS

Our Workplace Coordinator will arrange a visit to understand your current and future recruitment needs

SOURCE We find candidates with great potential who live in Westminster and are ready for work.

SCREEN Candidates are screened and matched to your roles. We will organise interviews and assessment days on your behalf and only present those who fit with your business.

TRAIN We deliver effective tailored training to the candidates before you meet with them ; we help them to prepare for your role.

PLACE Successful candidates are then placed in work.

MENTOR Workplace mentoring is provided to every candidate for six months after his or her appointment. This ensures people remain in positions and progress. We will be available to you during this time too if you need anything.

Work with a specialist broker who understands your sector and business needs

Locally sourced candidates who fit well within your business

Improve business continuity by employing local people who value work and want to learn and grow

Be recognised as a socially responsible business that supports and engages with your local community

Fill your short and long term vacancies at no financial cost
– all we ask in exchange is that you work with us to achieve our mission:
to provide a simpler and quicker route to sustainable work for local people
