

Click & collect in store

- 1 Choose 'Click & Collect' as the delivery option when ordering online from major **high street retailers**.

- 2 Collect from your chosen branch.

- £ Usually free.

For more information please contact:
clickcollect@crossriverpartnership.org

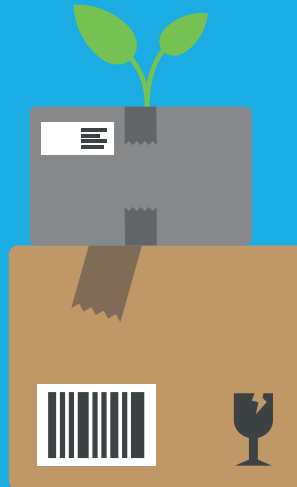

CLICK. COLLECT. CLEAN AIR.

www.clickcollect.london

No one likes missing a delivery at home, but having online shopping sent to your work address adds to traffic congestion and air pollution.

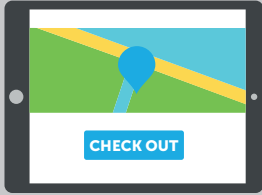

By using a 'click & collect' service you can help reduce the number of vans on our streets, making central London a nicer, safer and healthier place to visit, shop and work.

It's convenient, easy and affordable.

SUPPORTED BY
MAYOR OF LONDON

Click & collect near home

- 1 Choose a local collection point as the delivery option when ordering online from **participating retailers**.

- 2 Receive an alert when your parcel arrives and collect from your chosen collection point.

- £ Free, or small charge depending on amount spent, delivery speed or collection location.

Personal Parcel ID

- 1 Sign up for a parcel management ID and choose a convenient collection point from hundreds available.

- 2 Provide your ID and the address of your favourite collection point to **any retailer** (or friend or family member) sending you a parcel.

- 3 Receive an alert and collect from your chosen collection point.

- £ Less than £2 per delivery, or unlimited deliveries from around £5 a month.

Find your most convenient collection point and receive discounted deliveries at www.clickcollect.london
