Welcome to the Cross River Partnership monthly e-bulletin

Go Ultra Low London - Event 3rd September

Deputy Mayor for Environment & Energy, Matthew Pencharz, is inviting business to help London secure millions of pounds of government investment in London’s ultra low emission vehicle future. Cross River Partnership is organising an event on 3rd September for delegates to find out more. Click here for more information...

New team to deliver CRP's Recruit London initiative
We had an amazing response to our recent recruitment and after a tough fortnight shortlisting 180 applications and interviewing over 20 excellent candidates with our project partners, we are pleased to announce our outstanding team who will deliver our Recruit London initiative over the coming year. Click here for more information...

New appointment - European Programme Manager

CRP welcomes Tanja Dalle-Muenchmeyer as the new European Programme Manager. Tanja will be joining CRP on 1st September and will be managing the FREVUE project. Click here for more information...
The emerging lessons from Cross River Partnership’s Clean Air Better Business programme are generating interest from across the country, including from Freight in the City. Find out more here...

CRP's LaMiLo project has both trialled and undertaken research into different approaches to solve the problems associated with the last mile of urban deliveries. This work has been welcomed by industry website ‘Freight in the City’ which identifies that UK cities can adopt viable last-mile delivery schemes for no cost by tapping into this existing LaMiLo research. Click here for more information...
The launch of the Urban Partners Wellbeing Walk provides pedestrians with a signposted safer, less polluted and calmer route between Euston and King’s Cross. On the morning of the launch, Uto Patrick from CRP’s Clean Air Better Business programme and Andrew Grieve from King’s College London walked from Euston to King’s Cross measured black carbon emissions along both routes. Click here to find out more and see the results...

Into Work provider CITE deliver a great foundation to work
Susana was out of work for over a year before being helped into work as a Healthcare Assistant at Chelsea & Westminster NHS Trust by CITE as part of the Into Work programme. Click here for more information...

Barking Enterprise Centre recruiting CEO

Closing date: 5pm on 31st August

Barking Enterprise Centre is recruiting a new CEO. They will be pivotal in assuring the success of their new business model, and helping to grow and develop the BEC further, achieving ever greater levels of entrepreneurialism within the Borough and beyond.

To find out more about the opportunity and how to apply, visit the BEC website.

CABB Twitter Account

Clean air is better for business.

For engaging content, guidance, tips and links to further case studies which show how you can act on air quality, follow the Cleaner Air Better Business programme on Twitter at @CRP_CABB.
