

A FREE RECRUITMENT SERVICE FOR MEMBERS

Our Mission:

To work with West End employers to provide a simpler and quicker route to sustainable work for local people

Recruit London is delivered in partnership by Cross River Partnership, the New West End Company, The Crown Estate, Capital & Counties CG Ltd and Westminster City Council. It has successfully supported over 1,000 Westminster residents into work with flagship stores, hotels and restaurants across the West End since 2009.

Our Workplace Coordinator will arrange a visit to understand your current and future recruitment needs

- SOURCE** We find candidates with great potential who live in Westminster and are ready for work.
- SCREEN** Candidates are screened and matched to your roles. We will organise interviews and assessment days on your behalf and only present those who fit with your business.
- TRAIN** We deliver effective tailored training to the candidates before you meet with them; we help them to prepare for your roles.
- PLACE** Successful candidates are then placed in work.
- MENTOR** Workplace mentoring is provided to every candidate for six months after their appointment. This ensures people remain in positions and progress. We will be available to you during this time too if you need anything.

Work with a specialist broker who understands your sector and business needs

•
Locally sourced candidates who fit well within your business

•
Improve business continuity by employing local people who value work and want to learn and grow

•
Be recognised as a socially responsible business that supports and engages with your local community

•
Fill your vacancies at no financial cost - all we ask in exchange is that you work with us to achieve our mission to provide a simpler and quicker route to sustainable work for local people
