ANGLO CONSOLIDATES AND USES ELECTRIC VEHICLES
Customers Challenge Anglo to Deliver Products and Services Sustainably

"One of Anglo’s Core 6 Commitments is to be a market leader in sustainability. Our customers want to save money, time and reduce their carbon footprint, these therefore became our goals."

Russell Hodson (CSR Director, Anglo Office Group Ltd.)

LOCAL ISSUE
Negative environmental impact from deliveries
Delivering to customers in the Ultra Low Emission Zone

ACTION
Consolidating orders for customers
Optimising delivery routes
Continuing to increase electric vehicle use

RESULTS
15.8kg reduction of NOx saved per year
£2,000 cost savings in fuel per year

also
Customers happy to change to scheduled deliveries
Creation of sustainability strategy, Project Zero
More than 40 categories of products/services delivered by electric vehicle
Able to consolidate personal deliveries from multiple couriers
WHAT IS THE CLEAN AIR VILLAGES PROGRAMME?

A Central Government-funded programme which aims to enable and support businesses to reduce emissions from deliveries of goods and services whilst saving them time and money. The project is working across 10 air pollution hotspots – the ‘villages’ – within 5 London boroughs.

For more information, please see www.crossriverpartnership.org

LOCAL SOLUTIONS

In partnership with local businesses and communities, localised solutions are being implemented to improve air quality. These include:

- Sharing suppliers with neighbouring businesses
- Switching to suppliers that use low or zero emission vehicles
- Reducing delivery frequency

PARTNERS

Cross River Partnership is proud to be delivering this DEFRA funded project and to be working with the following Local Authorities:

- Lambeth
- Lewisham
- Islington
- Kensington and Chelsea
- Hammersmith and Fulham

Emissions reductions are estimations based on data provided
