

Welcome to Cross River Partnership's April Update

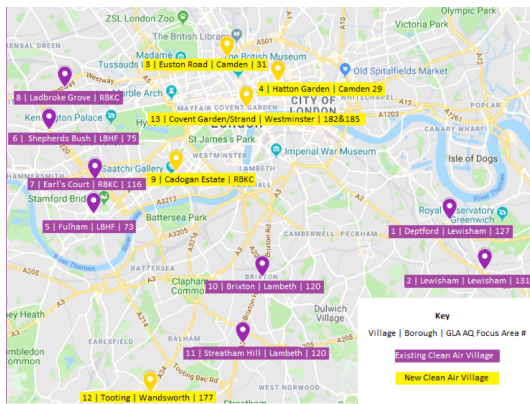

Cross River Partnership (CRP) has published its Business Plan for its 25th year! CRP has continued to flourish since its formation in 1994 to deliver projects including the Millennium and Golden Jubilee Footbridges. Thank you to all our partners and funders for their ongoing support. [Read more.](#)

We are very sad to pass on the news that Cristiane de Sousa passed away this month after a year long struggle with cancer. Christy worked at CRP as a Workplace Co-ordinator within our Recruit London programme until December 2014. Christy was a beacon of light, hope, support, positivity, liveliness and exceptional good humour and cheer in the lives of all those who were lucky enough to meet her. [Read more.](#)

Over the past six years, Cross River Partnership's [Mayor's Air Quality Funded](#) 'Clean Air Better Business' programme has brought together central London boroughs, BIDs and businesses to support the business sector to reduce emissions and exposure to toxic air pollution. A programme summary report is now available. [Read more.](#)

CRP are exceedingly pleased to announce that we have secured £508,343 in funding from [DEFRA's](#) Air Quality Grant Scheme 2019/20 to deliver the Clean Air Villages 2 (CAV2) programme. Building on the work of Clean Air Villages 1, the aim of the programme is to work with businesses in air quality hotspots to reduce their impact on local air quality. [Read more.](#)

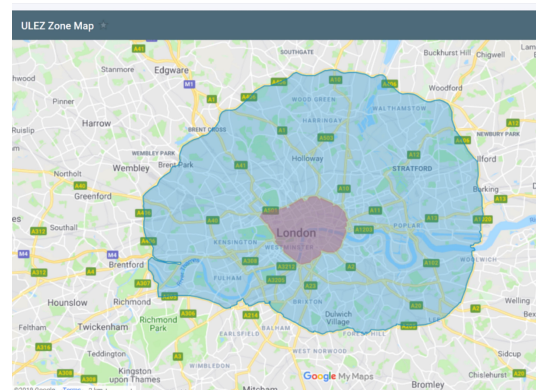

Are you a great team player and would you like to work where it all happens? Would you like to work in a modern, light and airy office? CRP will shortly be recruiting for an Air Quality Project Analysis Officer and a Communications & Business Development Officer. [Read more.](#)

[The Greater London Authority](#) in association with [European Federation of Green Roof and Green Wall Associations \(EFB\)](#) and [Livingroofs.org](#) have published a London Living Roofs and Walls Report. The report discusses 10 years of urban greening in London and beyond. [Read more.](#)

CRP's Clean Air Better Business programme (CABB) came to a close with a final stakeholder meeting on 3 April 2019. CRP Partners from boroughs and BIDs heard from project Partners

The ULEZ zone started on the 8th of April and will be expanded further by 2021. CRP is promoting the Mayor's ULEZ to businesses, including small businesses, as part of its [Defra-](#)

including [Kings College London](#), [The Northbank BID](#) and [Victoria BID](#). [Read more.](#)

funded [Clean Air Villages programme](#). [Read more.](#)

Cross River Partnership is delighted to be co-ordinating the Central London Sub Regional Transport Partnership on behalf of [TfL](#) and ten boroughs for another year. A full programme is currently in development for implementation between now and March 2020. [Read more.](#)

Cross River Partnership welcomes the [Mayor's Freight and Servicing Action Plan](#), which sets out actions to make London's streets safer, cleaner and more efficient. Our '[Click. Collect. Clean Air.](#)' [Behaviour change campaign](#) also receives a mention! [Read more.](#)

The 3-year [Marylebone Low Emission Neighbourhood](#) (LEN) was successfully completed at the end of March. This Mayor's Air Quality Fund supported project trialled ambitious and innovative schemes, some of which are now rolled out across Westminster and beyond, including the first emission-based parking surcharge. [Read more.](#)

LONDON
& PARTNERS

Is your organisation helping to craft London's future story? If so, you can get involved with [L&P's](#) Global Good Newsroom initiative. This platform will showcase major initiatives and announcements coming up over the next 6-12 months that demonstrate London is thinking boldly to a global audience. [Read more.](#)

Cross River Partnership has submitted two collaborative funding applications to Round 3 of the [Mayor's Air Quality Fund](#) (MAQF3), Healthy Streets Everyday and Clean Air Thames. Outcomes are due to be announced in May 2019. Good luck to everyone who has submitted MAQF3 bids! [Read more.](#)

CRP's CamdenAbility project works with a network of local employers to improve disability standards and create opportunities for Camden residents with disabilities and long-term health conditions. The project is funded by [Camden Council](#) and delivered in partnership with the [Business Disability Forum](#). Already, in the first quarter of 2019, 15 new disabled residents have been supported, 5 jobs created and 6 work experience placements arranged. [Read more.](#)

Applications are now open for [Good Growth Fund](#) development funding to directly support London's street and covered markets. This revenue funding can be used to support the development of projects with costs including feasibility, viability, business planning and commercial/property advice, ahead of a Good Growth Fund capital funding application. [Read more.](#)

Jay Chauhan joined CRP earlier this month as their Digital & Communications Lead, after spending six months working on youth engagement as a Business and Enterprise Officer at [Westminster City Council](#). In his role at CRP Jay will be overseeing the launch of CRP's new website and will be leading on CRP's upcoming 25 years celebrations. [Read more.](#)

Just a brief reminder that CRP has a range of recently published air quality-related marketing materials available including

Walkable London, Clean Air Villages Case Studies and the Clean Air Better Business Final Report. [Read more.](#)
