## Clean Air Village Solution

[Cross River Partnership](#) is excited to be working in Seven Sister's junction this year as part of the [Clean Air Villages](#) project. We aim to implement a local solution that allows businesses to carry out zero emissions deliveries, potential solutions include cargo-bike scheme and electric vehicle (EV) trial.

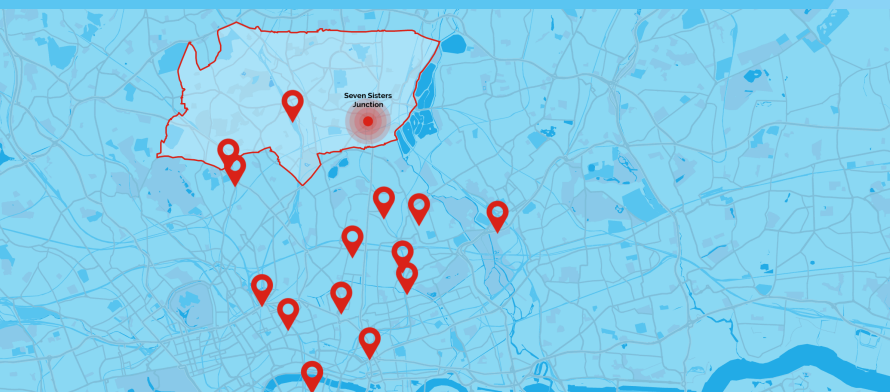

If your business is interested and on the look out for alternative ways to deliver to your customers, this has come at an opportune time for you!

If you would like to know more about this project and how we can help your business, please answer this short [survey on your current operations](#) or contact our local lead, Anusha directly via email or phone.
