CLEAN AIR VILLAGES

Clean Air Village Solution

[Cross River Partnership](#) is working together with [Northbank BID](#) in engaging with the food and beverage sector in the area. The [Clean Air Villages](#) project would like to consolidate fruit and vegetable deliveries from New Covent Garden Market suppliers, whilst also delivering them on zero or ultra-low emission vehicles to your businesses in a free trial.

If you're a restaurant in Northbank BID and you receive fruit and vegetable deliveries, then please contact Project Officer, Carina Mesquita: carinamesquita@crossriverpartnership.org.
