**CRP's Connect 4 Series:
Session 9**

**Good Parks for London
2022 Report Launch**

Thursday 29th September
4pm - 4:45pm

[Click here to join Cross River Partnership for Session 9 of CRP's Connect 4 Series - Good Parks for London 2022 Report Launch](#)

This event, taking place on Thursday 29th September, 4pm - 4:45pm, will launch the Good Parks for London 2022 report.

Headlined 'Keeping Parks Clean', the report focuses on litter and waste management, featuring excellent case studies from across London. CRP will also be launching brand new guidance '[Funding Healthy Streets Assets](#)' for effective public private partnership in delivering Healthy Streets projects.

We will be hearing from

1. Julia Thrift, Director of Healthier Placemaking, [Town & Country Planning Association](#)
2. Julian Woolley, National Landscape Design Director, [GL Hearn](#)
3. Tony Leach, Chief Executive, [Parks for London](#)
4. A representative from the top performing London Borough
5. Ross Phillips, Sustainable Transport Project Manager, [CRP](#)
6. Rachael Aldridge, Communications Project Manager, [CRP](#)

If you would like to attend this hybrid event in-person, please email CRP Communications Manager Rachael Aldridge: rachaelaldridge@crossriverpartnership.org

Car Free Day in Brixton

Thursday 22th September was [Car Free Day](#), when all around the world towns and cities allow people to experience streets free of motor traffic.

As part of our celebrations, CRP and [Pedal Me](#) visited a number of businesses in Brixton that are currently part of our Clean Air Freight micro hub and cargo bike project!

We are happy to see [Brixton BID](#), [3Space](#), [Stems Wilder](#), [Federation Coffee](#), [Friendship Adventure](#), [Brixton Brewery](#), as well as [London Beer Lab](#), and [The Courtesan](#) tackle air pollution in Brixton every day 🌟

For further information about Car Free Day and CRP's [Clean Air Freight](#) project in Brixton, please contact CRP Project Officer Isidora Rivera Vollmer - isidorariveravollmer@crossriverpartnership.org.

After HRH Queen Elizabeth II

Photo Credit: The Londonist

The [CRP team](#), along with everyone else, watched the commemorations of the Queen's life and service with sadness.

A huge thank you to all the central London public authorities and BIDs that kept us safe throughout the entire mourning period.

CRP looks forward to the next era with positivity, and to working with our partners to make the new government's policies and programmes work as well as possible for central London's diverse communities, businesses and visitors.

Clean Air Villages 4 Final Report

CRP recently submitted the [final report](#) to funder [Defra](#), following completion of the award-winning [Clean Air Villages 4 project](#). The project, working with 26 public and private sector project partners, successfully delivered a range of ambitious freight solutions through Consolidation, Distribution, Mode, Policy and Technology.

Outcomes included implementation of cargo bike schemes, a river freight pilot, a consolidation hub using e-cargo bikes for last mile deliveries, feasibility studies, use of EV dongles to help businesses make the switch from diesel fuelled to electric vehicles, case studies, guidance documents and toolkits, plus over 200 plus in-depth one-to-one meetings.

[Read the full report here.](#)

For more information, please contact CRP Project Manager Kate Fenton - katefenton@crossriverpartnership.org.

Walk to School Month

[October is International Walk to School month](#) when children, parents, teachers, and community leaders around the world celebrate the benefits of walking. Benefits range from simply spending time outdoors, to discovering local neighbourhoods, to creating communities that are safer spaces to walk.

Key dates during the month are:

- 3th - 7th October 2022 (International Walk to School Week)
- 5th October 2022 (International Walk to School Day)

but you can celebrate any day of the month.

Here in UK, [Living Streets](#), has many resources to encourage children to walk to school, including the [WOW interactive travel tracker](#) which allows children to report daily how they get to school. Check out their IWALK [campaign](#) to get involved.

CRP also has also produced resources to encourage walking including our [Clean Air Route Finder](#), and reports such as [The Walking Tube in Central London](#) and [Making School Street Healthier](#). Explore other resources from our project, [Healthy Streets Everyday](#).

For more information, please contact CRP Project Manager Sefinat Oturu - sefinatotaru@crossriverpartnership.org.
