 **CROSS RIVER
PARTNERSHIP**
Delivering London's Future Together

Join us on **Wednesday 11th October, 4pm - 5pm** for [Cross River Partnership \(CRP\)](#)'s next [CRP Conversations: Improving Air Quality by Enhancing River & Rail](#). This Conversation will discuss the potential for a freight hub at Waterloo station, exploring the potential economic, social and environmental benefits that can be achieved by prioritising this space for rail and road-fed micro-logistics hubs.

This is a hybrid panel discussion where in-person attendees can network with refreshments and nibbles at the Lord Mayor's Parlour in [Westminster City Council](#). Please send through any questions you would like our panellists to answer.

Our panellists are:

- Sefinat Otaru, Project Manager, [Cross River Partnership](#)
- Farah Asemi, Founder, [ecofleet](#)
- Dan Fredriksson, [Network Rail](#)'s [Great British Railways Transitions Team](#)
- Nick Gallop, Director, [Intermodality](#)
- Harshil Patel, Senior Consultant, [Steer](#)

For more information about the event, please email CRP Sustainable Transport Manager Ross Phillips at rossphillips@crossriverpartnership.org

Smarter Greener Logistics Update

We've nearly finished the first quarter of CRP's [Smarter Greener Logistics Programme](#)! The programme has got off to a flying start with several opportunities and trials being developed in collaboration with our partners.

From identifying potential sites for urban logistics hubs, to supporting the City Soil Lab Project in Bethnal Green, click the [button below](#) to read more about what we've been up to this month.

If you would like to find out more about SGL, or any of the initiatives mentioned above, please contact CRP Senior Programme Manager Fiona Coull fionacoull@crossriverpartnership.org

[Read our SGL update](#)

A Win for Wandsworth: CRP's New Micro Logistics Hub Trial

CRP has recently launched its latest [six-month micro logistics hub trial](#) in the Southside Shopping Centre [Car Park](#) in the [London Borough of Wandsworth](#).

Funded by [Defra](#) in partnership with the [London Borough of Wandsworth](#), this CRP trial is supporting low-emission last-mile deliveries in the London Borough of Wandsworth and surrounding areas. This initiative is funded by CRP's [Clean Air Logistics for London](#) and [Smarter Greener Logistics](#) programmes. Deliveries are also operating to the London Boroughs of [Richmond upon Thames](#) and [Merton](#) across the tri-borough area.

The hub has been created by sustainable logistics experts [Decarbon Logistics Solutions](#) in partnership with [APCOA Parking \(UK\) Limited](#), and deliveries will be carried out by low-emission courier [Delivery Mates](#). Read the official [press release](#) on the CRP website.

Also check out our [recent publication](#) for details on the micro logistics hub's set-up process!

For more information, please contact CRP Project Manager Isidora Rivera Vollmer isidorariveravollmer@crossriverpartnership.org

Celebrating CRP's success!

CRP were delighted to be shortlisted for the [National Maritime SME Awards 2023](#) in the Clean Maritime Energy Award category for the [London Light Freight River Trial](#)! The awards evening took place at [Woods Quay](#) on 13th September 2023 and celebrated the innovative achievements of SMEs across the UK maritime sector.

Read [A Deep Dive: The London Light Freight River Trial](#) to find out more about this innovative trial.

CRP is also excited to announce that the [Pimlico Micro Logistics Hub Trial](#), delivered with Westminster City Council and partners, has been [shortlisted](#) for the Last-Mile Delivery Award as part of the [CiTTi Awards 2023](#). Winners will be announced at the awards ceremony on 21st November 2023 and we're keeping our fingers crossed!

Marking World Rivers Day

To mark [World Rivers Day](#) on Thursday 21st September, CRP Project Manager Sefinat Otaru participated in a panel discussion at the [Oxo Tower](#) along London's South Bank.

[World Rivers Day](#), which falls on the fourth Sunday of every September, celebrates the world's rivers, strives to increase public awareness, and encourages better stewardship of the world's waterways.

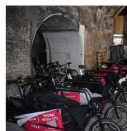

Chaired by Andrea Zick ([Harvey Nichols](#)), Michelle Yaa ([Thames 21](#)) and Sefinat Otaru ([CRP](#)), the panel discussed how the river affects our lives, and how we in turn impact the river. Following the discussion, attendees were encouraged to take part in litter picking along the Thames shore.

For more information, please contact CRP Project Manager Sefinat Otaru sefinatotaru@crossriverpartnership.org

CRP Board Meeting
September 2023

CRP's Mission is to collaboratively deliver solutions that make London fairer, greener and safer.

Do I have the right space
for a micro logistics hub?

Dates for your Diary
