Remembering Malcolm Haxby MBE

In Thanksgiving for the Life of
Malcolm Haxby
15th October 1944 - 12th September 2024

We are extremely sad to report that Malcolm Haxby MBE, the first Director of CRP, passed away suddenly this September.

CRP joined in giving thanks for Malcolm's life at his very well-attended funeral on 10th October 2024. Many tributes were paid to Malcolm, citing his extraordinary ability to bring diverse groups of people and organisations together, in order to achieve amazing things.

The number of Malcolm's professional achievements make them too great to list, but probably the greatest of his achievements were the [Golden Jubilee Bridges](#) running between the [City of Westminster](#) and the South Bank, [London Borough of Lambeth](#).

Malcolm has left an outstanding legacy, including in the form of the ongoing Cross River Partnership. He was the one who had a vision for collaboration, and who set the partnership up. His convening power continues and grows as CRP flourishes into the future.

If you would like to pass any condolences on to Malcolm's wife Maggie and his family, please contact susannahwilks@crossriverpartnership.org in the first instance.

Celebrating 30 Years of CRP

Thank you to everyone who joined us in celebrating 30 incredible years of Delivering London's Future Together here at Cross River Partnership!

We are proud to be continuing to work collaboratively with a diverse network of talented people to deliver innovative solutions that make London fairer, greener and safer!

A special thanks goes to our fantastic speakers!

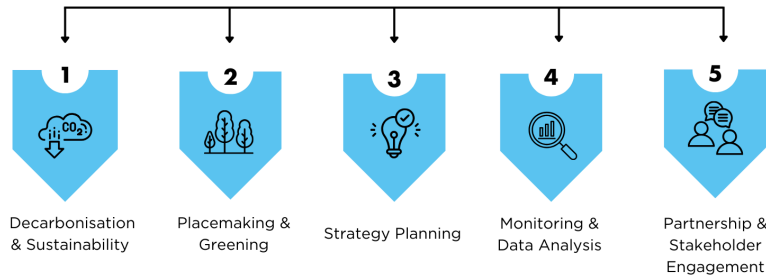

- Councillor Adam Hug, Leader of [Westminster City Council](#), CRP's Accountable Body
- Mete Coban, Deputy Mayor for Environment & Energy at the [Greater London Authority](#)
- Simon Pitkeathley, Chief Executive of [Camden Town Unlimited](#) and [Euston Town](#) BID's, plus CRP Board Co-chair
- Councillor Mary Durcan, Mary Durcan, Councillor at the City of London Corporation, Chairman Port Health & Environmental Services Committee and Chairman Health & Wellbeing Board, plus CRP Board Co-chair

Just Streets | London Site Visit

[Cross River Partnership](#) (CRP) and [University of Westminster](#) welcomed their [Just Streets](#) partners to London this month for an engaging site visit!

More than 30 participants from 10 different countries were in attendance, with the true power of collaboration witnessed across the 3-day visit!

The group undertook site visits led by CRP's three London delivery partners: [London Borough of Lambeth](#), [Camden Town Unlimited](#) and [Harley Street BID](#).

Feedback surveys and breakout sessions supported partners to reflect, share ideas and discuss our London partners planned interventions in more detail, focusing particularly on how the concept of Justice can be applied to our street interventions.

A huge thank you to all of those who joined us in London!

Secure Kerbside Space for Christmas Deliveries

Anticipating a surge in deliveries this holiday season? Our [Defra-funded Smarter Greener Logistics](#) Kerbside Management Trial is here to keep your deliveries efficient, sustainable, and on time this Christmas!

Cross River Partnership has a network of Virtual Loading Bay's (VLBs) across London being trialled in collaboration with [Grid Smarter Cities](#).

VLB's are available in [City of London Corporation](#), [London Borough of Camden](#), [London Borough of Lambeth](#) and [London Borough of Richmond](#).

If you deliver in these areas, find out more here: <https://gridsmartercities.com/smarter-greener-logistics-crp/>

VLBs provide dedicated spaces at the kerbside that can be pre-booked by participating operators and make deliveries more efficient, safe and sustainable whilst improving congestion and air quality in the local area.

For more information, contact CRP Project Manager Katherine Fairfax
katherinefairfax@crossriverpartnership.org

November SGL Update – Supporting Urban Logistics

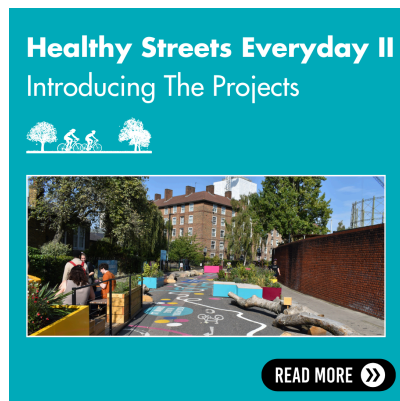

An important part of CRP's [Smarter Greener Logistics](#) Programme is to support our partners with guidance and expertise.

For example, through SGL, CRP has supported the partners such as [Better Bankside](#), [London Borough of Hammersmith & Fulham](#) and [London Borough of Hackney](#) to develop their own micro logistics hub projects:

CRP also have several resources to support the delivery of urban logistics hubs. For example, our Guide for Local Authorities on '[How to Support a Micro Logistics Hub in your Borough](#)'.

If you have any questions on CRP's Smarter Greener Logistics (SGL) Programme or how we could help you to consider micro logistics, please contact CRP Senior Programme Manager [Fiona Coull](#)
