## Congratulations to Simon Pitkeathley!

Huge congratulations to [Simon Pitkeathley](#), CRP's Private Sector Board Co-Chair and CEO of [Camden Town Unlimited](#) and [Euston Town](#) BIDs, for joining the [House of Lords](#), as Baron Pitkeathley of Camden Town.

This is an enormous and extremely well-deserved privilege for Simon. He is an amazing leader, innovator and force for positive change.

We are so excited to see what he does to help shape our country's future!

---

## CRP Welcomes Two New Interns

Cross River Partnership are delighted to welcome two new interns to the team!

Marie and Pooja join us from [Kings College London](#) and will be working across our [Healthy Streets Everyday II](#), [Just Streets](#) and [Smarter Greener Logistics](#) programmes.

Marie is studying for a Masters in Environment, Politics and Development and Pooja is studying Masters in Climate Change: Environment, Science and Policy.

Welcome to Cross River Partnership and we're looking forward to working together over the next few months.

---

## Launching CRP's Safety After Dark Campaign

CRP is pleased to announce our new "Safety After Dark" communications campaign as part of the Horizon EU-funded [Just Streets](#) project. Running from January 21st to 31st, the campaign aims to raise awareness about creating safe spaces for everyone in urban areas after dark.

The initiative will cover a variety of important topics, including street design, behaviour change, community collaboration, and effective wayfinding. The campaign also seeks to highlight the excellent work already being accomplished in London to enhance safety and security in public spaces after sunset.

Our goal is that as the "Safety After Dark" campaign unfolds, it sparks conversations that drive change in London and other cities towards increased inclusivity and safety for all.

For more information contact CRP Project Lead for Just Streets [Sefinat Otaru](#).

## Smarter Greener Logistics: The Final Stages

CRP's [Smarter Greener Logistics \(SGL\)](#) Programme has nearly been completed! In fact, we're currently in the process of preparing our Q7 report to Defra which will be submitted at the end of the month.

Over the past 3 months, CRP and our partners have:

- Completed a kerbside management trial of 8 virtual loading bays across London
- Launched a cargo bike scheme in [London Borough of Hackney](#)
- Completed noise monitoring on Rotherhithe New Road in [London Borough of Southwark](#)
- Published 2 new case studies

To find out more about all the excited initiatives delivered through SGL, please contact CRP Senior Programme Manager [Fiona Coull](#)

## Healthier Streets in 2025

2024 saw the kick off of the [Healthy Streets Everyday II](#) (HSE II) programme, CRP's [Mayor's Air Quality Funded](#) 3-year programme.

Some of the outputs that have been delivered already include:

- 6 School Streets that have been installed, including 2 exemplar school streets
- 3 new walking routes
- Over 150 sq m of green space
- 3 resident focussed shared cargo bikes

Our partners on the programme will continue to deliver exciting improvements to London's streets, with upgrades to cycling infrastructure, walking routes, implementing school streets, creating low emission transport infrastructure and providing more green space.

For more information contact CRP Project Lead for Healthy Streets Everyday II, [Ross Phillips](#)
