CRP Launches Ambitious Waterloo Freight Hub Trial

Waterloo Freight Hub Trial Launch

CRP is thrilled to launch the [Waterloo Freight Hub](#), a transformative 6-month trial delivering parcels across London using zero-emission cargo bikes! This initiative, located under Waterloo Station, will help businesses and residents receive sustainable deliveries at no extra cost while reducing pollution and congestion.

The Waterloo Freight Hub is more than a six-month pilot—it's a bold step toward a greener, smarter future for urban logistics! Read more about the project [here](#).

Huge thank you to all those in attendance and a special thanks to our speakers Mike Putnam, [Network Rail](#) Acting Chair, Councillor Rezina Chowdhury, Deputy Leader and Cabinet Member for Sustainable Lambeth and Clean Air, [Lambeth Council](#), Kevin Savage Chief Operating Officer, [Delivery Mates](#) and CRP's Sustainable Transport Manager Ross Phillips!

CRP will be sharing learnings from the trial to support the delivery of a longer-term, much larger Waterloo Freight Hub, with middle-mile deliveries made by road, rail and river.

To learn more, or find out how you could support the project contact CRP Project Lead for the Waterloo Freight Hub [Ross Phillips](#).

CROSS RIVER PARTNERSHIP
HEALTHY STREETS EVERYDAY II

SUPPORTED BY
MAYOR OF LONDON

Spring has Sprung! And with that comes more daylight, warmer temperatures, parks and gardens filled with colour and a bit more sunshine (fingers crossed!). All of these are a recipe for spending more time outdoors, enjoying nature whilst walking, wheeling, scooting or cycling.

We have been collating stories from our [Healthy Streets Everyday II](#) partners and the CRP team about their favourite places to spend time outside walking, wheeling, scooting or cycling across London to inspire you to find new hidden gems and spend more time outdoors this Spring!

This all forms part of our *Spring Into Action* campaign, which will be running throughout March, April and May on CRP's social media channels. Check CRP's [LinkedIn](#) and [Twitter/X](#) channels for more information!

On Track and Moving Ahead: Just Streets Progress

CRP and partners continue it's work on the [Just Streets](#) project. Those of you who follow us know we've been busy working on three exciting projects across central London:

- [Camden Town Unlimited](#) is in the process of obtaining permissions for cultural signages to be put along walking routes.
- [Lambeth Council's School Streets](#) team is working to put together an initial design for the School Street, run a four-week consultation, before sending final designs to contractors.
- CRP is collaborating closely with the [University of Westminster](#), our technical partner, to support the delivery of a parklet in the [Harley Street Business Improvement District](#).

For more information contact CRP Project Lead for Just Streets [Sefinat Otaru](#).

London's Inaugural Cities and Lighting Summit

In April, the [City of London Corporation](#) will host the inaugural [Cities & Lighting Summit](#). The event, which runs from 23 - 25 April 2025, is organised in partnership with the [LUCI Association](#).

The Summit will consider how urban lighting can help improve well-being and make cities more sustainable and inclusive.

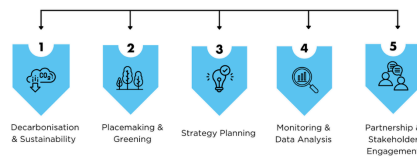

Please visit the Summit [website](#) for more details, the programme and to register to attend. There will be many fascinating talks including Sarah Gaventa on the [Illuminated River: A public art commission](#) project.

Please do not hesitate to contact the City of London Corporation's [Clarisse Tavin](#) if you have any query about the Summit, or if you wish to discuss sponsorship opportunities.
